Ross,

Thanks for the contacts.

No, I don't think the University contacts are considered stakeholders. The FOIA just asked for correspondence with mainly oil and gas industry entities and DOE.

Do you have anything else that applies?

Oh, Boya!

So, I've worked with the database in OWOW on two different FOIA's. It works pretty well for compiling records. Tim Landers in OWOW can maybe help you with it. Or Matt Klasen in OW.

Are University faculty considered stakeholders for this FOIA? I did correspond some with at least one.
